Washington, D.C. 20472

AUG 31 1983

MEMORANDUM FOR: Board Members
Working Group Chairmen
Liaison Officers
Points of Contact
Current Plan Holders

FROM: Jeffrey S. Bragg
Executive Secretary

SUBJECT: Transmittal of Revised National Plan of Action on Emergency
Mobilization Preparedness (U)

The President emphasized in the promulgation statement of the National Plan of Action that the original implementation measures were only the essential first steps in achieving an effective emergency mobilization preparedness capability and that the measures are dynamic and will be updated by the addition of new or revised measures as necessary.

At the August 10, 1983, Board meeting, changes to the Plan of Action were presented and approved by the members. Attached is the first revision to the Plan, dated August 15, 1983, incorporating these approved changes. It is intended that a revision will be published quarterly to maintain the Plan of Action in a current condition.

A key to the changes appears on page 7, following the index. Please ensure that your earlier copies of the Plan are destroyed in accordance with your agency's policies and procedures for destruction of classified material.

In addition, attached for your ready reference is the June 7, 1983, memorandum outlining procedures for handling the Plan.
